

## **DON'T YOU LIKE TO GO TOGETHER? LET'S GO WITH AMED**

### **WHY AMED?**

I am very glad to share my AMED ministry with you.

My wife, Sung-Sook & I, Sung-IL Kim started planting churches in the eastern part of Lima, the capital city of Peru from 1990. From the beginning we needed Sunday school teachers to teach the Gospel urgently because there were too many children in our mission sites. Even though we recruited Sunday school teachers, we could not make them well prepared to teach children. You cannot teach children in Sunday school only with common sense or logical reasoning. You need to teach children with basic knowledge of the Bible, teaching skills and appropriate materials. Therefore, our ministry of training Sunday school teachers and developing materials started from 1994, and it has been named AMED (Asociación Ministerial de Escuela Dominical), which has become a non-profit organization.

### **ON-GOING MINISTRY**

AMED develops the programs and produces diverse materials (manual for teacher, music, choreographies, craft and animations) for Vacation Bible School with a new theme every year and holds a nationwide VBS conference for Sunday school teachers in the 1st week of every January in Lima, Peru.

AMED has uploaded all materials of VBS on the AMED official website, [www.ebdv.org](http://www.ebdv.org) for the Spanish-speaking Sunday school teachers to free download since 2010.

### **PLANNING MINISTRY**

AMED is constructing a new official website in English, [www.vbsworld.org](http://www.vbsworld.org) to provide programs and materials related to VBS in such languages as English, Spanish, Portuguese, French, Korean, Arabic, Chinese, etc. for the Sunday school teachers serving all over the world, especially those teachers who are serving in such areas as are hostile to the Gospel, and remote and needy churches.

AMED is also constructing a new official Internet Visual Course, [www.isffos.org](http://www.isffos.org) which provides free internet theology, Bible and teaching method courses to train Sunday school teachers. 'isffos' stands for 'Isaias Fifty-five Online Service', which comes from Is.55:1, "Come, all you who are thirsty, come to the waters; and you who have no money, come, buy and eat! Come, buy wine and milk without money and without cost."

**MISSION**

AMED strives to fulfill the Great Commission of our Lord Jesus by training Sunday school teachers who will then evangelize children.

**VISION**

AMED evangelizes children all over the world through the teachers who are trained and equipped by the web sites of AMED ([www.ebdv.org](http://www.ebdv.org), [www.vbsworld.org](http://www.vbsworld.org), [www.isffos.org](http://www.isffos.org) ).
